

FREQUENTLY ASKED QUESTIONS

WHY SHOULD I USE HOLLA?

Holla mainly focuses on improving your professionalism when you meet a lot of people, especially your clients. For the sake of efficiency and professionalism, in Holla we compile your personal data, portfolio, and any others by your choice. So, say goodbye to your printed name card.

HOW HOLLA WORKS?

Holla's card provides NFC feature, so you can tap the card on compatible phones, then a link will direct to your Holla profile. For older phones' versions without NFC, you can scan the QR code provided on your card.

CAN I PERSONALIZE MY DASHBOARD?

Yes. Holla's dashboard is customizable from the background, theme color, and profile picture. You can also arrange your own portfolio to be shown on your dashboard.

CAN I PERSONALIZE MY CARD?

Yes. Holla's cards fully customizable from the Printed Card, Holla Link, and Dashboard. You can check our product's catalog for packages' details.

WHAT MATERIAL IS HOLLA'S CARD MADE OF?

Our cards are made with PVC material and laminated with doff finishing.

CAN I USE THIS FOR MY WHOLE TEAM MEMBER?

Yes. Since Holla is fully customizable, you can customize Holla cards for your whole team member with a special offer

CAN I BECOME A RESELLER OF HOLLA?

Yes. We're very welcoming and we had intriguing opportunity, reach us by Whatsapp / Email for further information.

CAN I MAKE HOLLA FOR A GIFT?

Definitely! Since your own dashboard will be filled by yourself and fully customizable, hence you can give this to anybody with a customizable design.
